William Leondike

Winter Park, Florida
(386) 405-4144
billyleondike@gmail.com

I've always been passionate about the code I write. With my exceptional ability to organize, analyze, and adapt; I will continue to develop my programming skills as a full-stack developer each day. I plan to help shape the user experience over the internet, one smile at a time.

EXPERIENCE

World of Beer, Orlando —Server

Apr 2019 - Mar 2020 (1 year)

Challenged in a fast-paced environment while delivering fast and efficient service to my customers.

All My Sons, Orlando — *Truck Driver*

Jun 2018 - Feb 2019 (9 months)

Led a team of movers to deliver fast and efficient results for our customers.

The Coop, Winter Park

Oct 2016 - Sep 2019 (3 years)

Challenged myself by learning many different positions, bringing the best experience to the customer daily. Willingly hopped between positions to give the best support I could give.

EDUCATION

University of Central Florida, Orlando
